**Associate Degree Registered Nurse Program  
Entry Requirements Checklist  
(Effective June 2009)**

The following are program entry requirements for the Associate Degree Registered Nurse program.

- Admissions packets must be submitted on published application date. To be considered, the RN packet has to be complete to enter the RN program. **NO EXCEPTIONS.** RN packets that are not complete will be returned to the student. Calls/inquiries/appointments will not be made/accepted if your packet is returned to you due to incomplete or improper documentation. The requirements are posted on the college website and all students must meet the standards according to our clinical placement contracts.
- All documentation must be completed on Renton Technical College's forms. Packets may be picked up at the Roberts Campus Center, building I, at the registration front counter.
- Students are required to provide original documents for faculty review. All documents must be dated and signed. Originals will be returned to the student.
- One-third of the first quarter's tuition is due at the time of registration, which applies toward the student's tuition.

Transcripts showing evidence of meeting prerequisite course requirements as shown below with a minimum grade of 2.5 in each course and a cumulative GPA 2.75 or better must be on file in the registration office. Official sealed transcripts from other colleges and a transcript translation form must be submitted to the registration office to ensure a transcript translation is completed. **Only the courses listed below will be accepted as meeting the prerequisite requirements; Courses taken in a higher academic level do not negate the necessity to fulfill the prerequisite requirements.**

**PREREQUISITE REQUIREMENTS**

**Biology, Chemistry, Microbiology, Anatomy & Physiology, and Nutrition must be completed within the last 10 years. English, Psychology, Statistics must be completed within the last 5 years. Approved high school Biology and Chemistry classes taken within last 5 years may be substituted for Biol& 160 and Chem& 140.**

Course Title	RTC Course Number	Credit Value	College where taken	GPA
