

## Advanced Placement (AP)

Renton Technical College grants credit in a variety of subject areas for students who obtain a particular score on their College Board Advanced Placement Exams. Students must submit an official copy of their AP scores to the Credentials Evaluation office. Upon evaluation of those scores, the student will be notified of accepted credits. Credit is posted to the student transcript at the time of graduation.

See the following list for policies on granting placement of credit for AP examinations. AP grades range from a high of 5 to a low of 1. Credit and/or placement will not be granted for AP grades below 3.

| Exam Name                           | Minimum Score | RTC Course   |
|-------------------------------------|---------------|--|
| Biology                             | 3             | BIOL& 160 General Biology  |
| Calculus AB                         | 3             | MATH& 151 Calculus I   |
| Calculus BC                         | 3             | MATH& 151 Calculus I   |
| Chemistry                           | 3             | CHEM& 140 General Chemistry  |
| Economics (Micro)                   | 4, 5          | ECON& 201 Microeconomics   |
| Economics (Macro)                   | 4, 5          | ECON& 202 Macroeconomics   |
| English Language/Comp               | 4, 5          | ENGL& 101 English Composition  |
| English Literature/Composition      | 4             | ENGL& 111 English Literature   |
| Government & Politics<br>(American) | 3             | POLS& 202 American Government  |
| History (U.S)                       | 3             | HIST& 136 U.S. History I   |
| History (U.S)                       | 4             | HIST& 136 US History I and HIST& 137 US History II   |
| Physics C                           | 3             | PHYS& 121 General Physics I  |
| Physics C                           | 4             | PHYS& 121 General Physics I and PHYS& 122 General Physics II                                   |
| Physics C                           | 5             | PHYS& 121 General Physics I and PHYS& 122 General Physics II and PHYS& 123 General Physics III |
| Spanish Language                    | 3             | SPAN& 121 Spanish I  |
| Spanish Language                    | 4             | SPAN& 121 Spanish I and SPAN& 122 Spanish II   |
| Spanish Language                    | 5             | Span& 121 Spanish I, SPAN& 122 Spanish II and SPAN& 123 Spanish III                            |
| Statistics                          | 4             | MATH& 146 Intro. to Statistics   |

## College-Level Examination Program (CLEP)

CLEP exams are computer-based tests that allow students to demonstrate their ability in a given subject. By obtaining a particular score, recommended by the American Council of Education, students can obtain college credit. Students must submit an official copy of their CLEP scores to the Credentials Evaluation office. Credit is posted to the student transcript at the time of graduation.

See the following list for policies on granting placement of credit for CLEP exams. Credit and/or placement will not be granted for scores below the ACE recommended score.

| Exam Name   | ACE Recommended Score | RTC Course                         |
|---|-----------------------|------------------------------------|
| American Government                                   | 50                    | POLS& 202 American Government      |
| Biology   | 50                    | BIOL& 160 General Biology          |
| Calculus  | 50                    | MATH& 151 Calculus I               |
| Chemistry   | 50                    | CHEM& 140 General Chemistry        |
| College Algebra                                       | 50                    | MATH 110 College Algebra           |
| Principles of Microeconomics                          | 50                    | ECON& 201 Microeconomics           |
| Principles of Macroeconomics                          | 50                    | ECON& 202 Macroeconomics           |
| English Composition<br>English Composition with Essay | 50                    | ENGL& 101 English Composition      |
| Analyzing and Interpreting Literature                 | 50                    | ENGL& 111 Intro. to Literature     |
| History of the United States I                        | 50                    | HIST& 136 U.S. History I           |
| History of the United States II                       | 50                    | HIST& 137 U.S. History II          |
