

ACADEMIC REGULATIONS

Student Handbook

The Student handbook outlines College services available to students and summarizes students' rights and responsibilities.

The Family Educational Rights and Privacy Act (FERPA) affords students certain rights with respect to their educational records.

They are:

1. The right to inspect and review the student's educational records.
2. The right to request the amendment of the student's education records to ensure that they are not inaccurate, misleading, or otherwise in violation of the student's privacy or other rights.
3. The right to consent to disclosures of personally identifiable information contained in the student's education records, except to the extent that FERPA authorizes disclosure without consent.
4. The right to file a complaint with the U.S. Department of Education concerning alleged failures by Renton Technical College to comply with the requirements of FERPA.
5. The right to obtain a copy of Renton Technical College's student records policy. The policy is available in the Registrar's Office, Robert C. Roberts Campus Center (Building I). For information regarding the Student Records Policy, please contact the Registrar's Office at 425.235.2352, ext. 5537.

Attendance

The College encourages daily attendance at all classes and labs to enable students to gain maximum benefit from the instruction that is offered. Students are expected to be responsible for their own attendance.

Individual programs may have specific attendance standards, and some instructors may have their own attendance and punctuality criteria which will factor into the student's grades. Students who receive financial aid must adhere to additional attendance requirements to maintain their eligibility to receive aid. If attendance drops below these additional attendance requirements, the student will be placed on attendance probation and their aid may be withheld.

Attendance Awards

Students who achieve perfect attendance during each enrollment period will be eligible for a perfect attendance award. The record, as kept by the instructor, will be considered the official record for computing attendance.

Leave of Absence

The College does not grant formal leaves of absence to students.

Standards of Progress

Grading Policy

Grading criteria are determined by the instructor. These criteria and how grades are achieved must be shared, in writing, with the student on the first day the student begins class. For courses that are taught within professional-technical programs, grading criteria and policies will be shared in writing with students on the first day that the course is taught. Grading policies must be on file and approved by the instructor's dean.

Grades

Grades will be submitted as decimals which students can convert as follows:

(Exceptions where required)

Decimal Grade	Letter Equivalent
4.0	A
3.9-3.7	A-
3.6-3.3	B+
3.2-3.0	B
2.9-2.7	B-
2.6-2.3	C+
2.2-2.0	C
1.9-1.7	C-
1.6-1.3	D+
1.2-1.0	D
0.9-0.7	D-
0.6-0.0	F

The following grades can only be submitted for courses that are designated on the course coding sheet as having that option. The following two options must be assigned to the entire class, not to an individual student:

1.S/U (satisfactory or unsatisfactory) An "S" grade is not figured into the grade-point average. A "U" grade is figured as a "0."

2.Y – In-progress- A "Y" grade is given to all the students in a class who are doing passing coursework but need additional instruction and time to complete course requirements or competencies. Students are required to re-register for the course and pay all tuition and any other charges. The Y remains on the transcript for the quarter assigned, while the final grade will be posted to the quarter in which the student re-enrolled in the course. The Y grade earns no credit and does not affect the GPA.

I – Incomplete: When a student is not able to complete a class for reasons beyond his control an instructor may assign an incomplete. It should be given ONLY when there is a reasonable expectation that the student will complete the specified work in the time allowed without additional instructional time. To receive an "I" grade, the student MUST have an "Incomplete Contract" (See Attachment 1) signed by the instructor and the dean and submitted to registration prior to the grade being submitted. An "I" grade reverts to the assigned "grade without completion" after one quarter (not including summer) unless otherwise specified on the incomplete contract. The original is sent to the registrar with copies to the student, instructor, dean and counselor.

N – Audit: An audit means the student registers on a space-available basis to attend the class and to listen, but not do graded work. The student pays full tuition and fees, but attends class for information only. The N grade does not earn credit and does not affect the GPA. The audit grade option must be approved by the instructor and submitted to registration office by the 10th day of the class. Once registered for an audit, the student cannot change to a graded option.

R – Repeating a Course: The qualifier "R" on a transcript means a course has been repeated, and is excluded from credits and grade point average. All grades will still appear on the transcript whether repeated or not. The most recent grade will be used to compute the GPA. Students may not take a course more than twice without permission from the Vice President of Student Services. Repeating certain courses may require permission from the instructor or the appropriate administrator.

V – Unofficial Withdrawals: Students who attend briefly, rarely, or not at all, and who fail to officially withdraw from a course or a program with a W grade, may be assigned a grade of "V" at the discretion of the instructor. The V grade does not earn credit and does not count in the GPA calculation.

W -Withdrawals: A student may officially withdraw from a program or class by completing the appropriate form and submitting it to registration by the eighth week of the quarter. After the eighth week, the student cannot receive a "W" and will be graded based on the course requirements as described in the course syllabus. A withdrawal prior to the 10th day of the quarter is not listed on the transcript. After the 10th day of the class, a "W" will appear on the student's transcript but it is not computed in the GPA. An official withdrawal can only be initiated by a student or a counselor at the request of the student.

HW – Hardship Withdrawals: Under very exceptional circumstances, instructors can request a hardship withdrawal for a student. This can be requested at anytime during the quarter for a student who has attended class regularly and has completed assignments with passing grades but for reasons beyond his or her control must drop out. A hardship withdrawal must be signed by the instructor, the dean and the Vice President for Student Services

Grade Grievances: A student who feels he did not get the grade he earned must first speak to the instructor involved. If the dispute is not resolved, the student may file a grade grievance (See Attachment 2) with the supervising dean. Grade grievances must be based on:

- (1) grade entry errors,
- (2) the instructor did not follow the grading criteria outlined in the course syllabus, or
- (3) grading criteria were not uniformly applied.

A grade grievance **MUST** be filed within one quarter after the quarter in which the grade was assigned, not including summer quarter.

Mid-Term Progress Report

If a student's progress is not satisfactory, the instructor will so inform him or her in writing at least four weeks before the end of the academic reporting period. At that time, the instructor will advise the student to take appropriate steps to rectify the situation.

Credits

The academic year for full-time training programs, General Education and for Basic Studies at Renton Technical College is divided into three quarters of 12 weeks each, and a summer session of six weeks. One credit is earned for each 12 hours of lecture/discussion or for 24 hours of laboratory/applied learning. For work site instruction or on-the-job training, a different ratio may apply.

For part-time training, retraining and upgrading programs, one credit is earned for each 10 hours of lecture/discussion or for 20 hours of laboratory/applied learning.

For Apprenticeship programs, one credit is earned per 16.5 hours of total instruction.

Transfer of Credits

When a student transfers to another college, that college determines the transferability of specific courses and programs. RTC maintains credit reciprocity agreements with many institutions of higher learning, but students are advised to check carefully with the institution where they expect to transfer. Students transferring to RTC from other institutions must have an official transcript. Courses with less than a "C" grade will not be accepted by RTC.

Transcripts

Students may request official transcripts by submitting a completed transcript request from the Registration Office with a \$5.00 service fee. Orders are generally processed within one week. To obtain a transcript request form, call the Registration Office at 425.235.2352.

Credit Assessment

Students who have had program-related coursework at other institutions prior to attending Renton Technical College may be awarded credit for advanced placement. Credit transfer is awarded by the Registrar in the following ways:

College Credit

For coursework which was completed at another college or university accredited by a regional or national accrediting agency recognized by the Department of Education.

Tech Prep Credit

Credit earned through participation in Tech Prep programs as determined by the South King County Tech Prep Consortium Articulation Agreement Manual and governed by the rules and regulations between the college and school districts.

Military Coursework

Credit for coursework completed while the individual was in one of the branches of the U.S. Armed Services including the Coast Guard.

Credit for Industry Courses

Industry courses are courses (graded or nongraded) offered by industry for its employees and are usually taught by industry personnel.

Individual Course Challenge Credit

Credit is awarded when the individual has passed a comprehensive test of the course content. There are limited opportunities to challenge individual courses at this time. Applicants are encouraged to contact the program Dean/Director for more information.

Academic Achievement

All USA Academic Team

The All USA Academic Team Scholarship competition is for Students who have been in an AAS program for at least two quarters, have excellent grades and a history of community service may be nominated by their instructors for the campus competition. To compete, students must write an essay and get letters of recommendation. The college selects two representatives to go on to state-wide competition, receive a monetary award and attend a luncheon with the Governor.

National Vocational Technical Honor Society

Renton Technical College brought the Vocational Technical Honor Society to campus beginning the 2005-06 school year. Students who have a GPA of 3.5 or higher for two (2) consecutive quarters are eligible to be nominated for membership by a faculty or staff member. Students who achieve this distinction are eligible to wear a NVTHS sash during the graduation ceremony. Besides the recognition, and chapter events, members will receive three free letters of reference from the national organization to use when applying for employment.

President's Honor List

Students who complete a Certificate, AAS, or AAS-T degree of 21 credits or more with a GPA of 3.7 or higher by the end of the previous quarter earn the right to wear a gold cord during the graduation ceremony. If they continue to qualify after the grades for their graduating quarter are posted, students will receive a letter signed by the President of the college and a statement will appear on their transcript.

Vice-President's Honors List

To qualify for the Vice-President's List, students must be enrolled for a total of 12 credits or more during the quarter. Students must complete all courses for which they are registered with a GPA of 3.7 or higher. There is no limit to the number of quarters that a student may appear on the list. Students who achieve this distinction will receive a letter signed by the Vice-President for Instruction acknowledging their achievement.
