

# Want to be a nurse?

(But not sure about your English or some other basic skill?)

Study Pre-Nursing and English as a Second Language

## TOGETHER!

\*Integrated Basic Education and Skills Training / Licensed Practical Nursing Program  
In Renton Technical College I-BEST/LPN Program\*

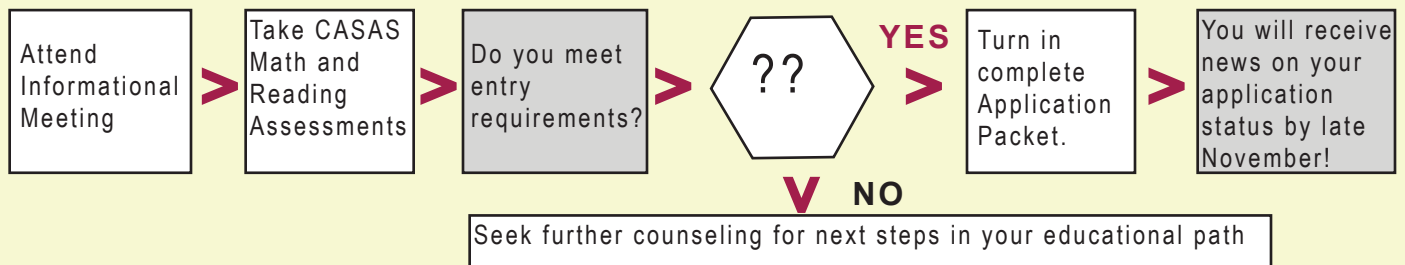

### I-BEST/LPN Program includes:

- > General education courses in science, math and health.
- > Certified Nursing Assistant training.
- > Classes provided to create educational experiences towards being successful in nursing programs.
- > All classes needed to get an Associate of Applied Science Degree and prepare for LPN-RN programs.

### Curriculum includes:

- > Reading, writing, vocabulary and study skills to help you learn nursing topics and complete program classes.
- > Help from an IBEST/LPN Instructor to succeed in core content classes.
- > Practical Computer skills that will enhance current class work and aid you in the nursing field.

### Steps to enter the I-BEST/LPN Program:
