### Conviction/Criminal History Disclosure Form

This form must be completed to be considered for Allied Health Programs admission and continuation.

Renton Technical College reviews conviction/criminal history records when considering individuals for admission and continuation in Allied Health programs. These reviews are carried out because they relate to the essential qualifications of potential and continuing students under the Allied Health program curriculum standards, as well as to the safety and security of patients and the public. The Washington State Child and Adult Abuse Information Law RCW 43.43.830-842, requires that anyone with unsupervised access to certain vulnerable populations be screened for specific information about any convictions for crimes against persons and crimes relating to financial expoliations, and for findings in related actions and proceedings. This conviction information must be disclosed before any student can be considered to train in any position which may involve unsupervised access to children, developmentally disabled persons or vulnerable adults as defined by the law. Certain criminal convictions and court administrative determinations may preclude completion of the clinical portion of the curriculum since clinical training sites are precluded by law from allowing persons with certain convictions histories to have unsupervised access to these vulnerable populations. Contracts with clinical training sites require that students enrolled in Allied Health programs have been screened before being assigned to their sites.

Conviction information, including information regarding certain court and administrative determinations, must be disclosed and verified before an applicant or student can be considered for enrollment or continuation in the Allied Health programs. A conviction/criminal history record does not necessarily disqualify an individual from admission or continuation, however admission and/or continued enrollment is subject to a satisfactory background check review. The conviction/criminal history records must be verified through a private national background check agency specified by the College.

Individuals who do not sign this Conviction/Criminal History Disclosure Form will not be considered for admission or continuation. Questions about the use of conviction/criminal history information may be referred to the Dean of Allied Health Programs.

Under penalty of perjury, I certify that the above information is true, correct and complete. I understand that I am obligated to notify the Allied Health program within 30 days, in writing, of if I am convicted of any crime or if any of the specified court or administrative determinations are made against me during the application period and/or while enrolled as a student. I understand that any misrepresentation or omission in the above-stated information may lead to denial of admission or dismissal. I understand and agree that the Renton Technical College Allied Health Programs may verify this information through a private national background records verification agency. I also understand and agree that admission and continuation is conditional on the Program’s receipt of a satisfactory background check report from the agency.

Authorization for Repeat Background Checks and Dissemination of Results:
I agree to initiate, pay for and provide the Allied Health program with repeat background check every year from the date of my admission to the program. I authorize dissemination of my self-disclosure information, background check results, and conviction records to clinical training sites as deemed necessary by the Allied Health program during the completion of my academic program. I understand that the Allied Health program will provide the records listed above only with the condition that the receiving party or parties will be notified by the Allied Health program that they may not disclose the information to other parties, in a personally-
identifiable form, without my further consent, unless the other parties are otherwise eligible under federal or state law to receive the records. I further understand that any statements that I have placed in my records commenting on consented information contained in the records listed above will be released along with the records to which they relate.

Process for Background Check Review:

1. All applicants/students submit a signed Conviction/Criminal History Disclosure Form

2. Every applicant must verify conviction/criminal history through the private national background check agency specified by the Allied Health Program, by the stated deadline. Failure to comply by the deadline may disqualify the applicant from admission.

3. All continuing students must complete a repeat check every year

4. If the check result is negative, the applicant may be admitted to and the continuing student may continue in the program

5. If the check result is positive, the applicant/student will be asked to explain any discrepancies. This information will be reviewed by a program dean. If the review indicates that the information and explanation are satisfactory, the applicant may be admitted to and the continuing student may continue in the program. If the review indicates that information and explanation are not satisfactory, the offer of admission may be withdrawn and the continuing student may be suspended or dismissed from the program.

6. A program dean will meet with the applicant/student and inform the applicant/student of the decision regarding the background check review verbally and in writing.
This evaluation is only to determine readiness for participation in an allied health program. It should not be used as a substitute for regular health maintenance examinations. The Health History and physical examination record sections must both be completed, prior to entry into the allied health program. Please have your completed form for your student record.
