Registration Instructions

The Washington State Employee Tuition Waiver is applied on a space-available basis. As such, students using the waiver will not be allowed to register for classes until after the third day of the quarter. Failure to comply with the instructions listed below will result in the student being responsible for full-payment at the full per-credit rate.

Tuition is not exempted for self-support, contract or continuing education classes. The Washington State Employee Tuition Exemption only applies to state-support classes.

One the first day of class we suggest the following:

- Go to the class of your choice on the first day of instruction. Let the instructor know that you are hoping to register as a Washington State employee under the space-available tuition waiver program. Ask the instructor if they feel that space “may” be available and, if so, request permission to visit the class until you can officially register.
- On the day you are permitted to register, have the instructor sign your Registration/Change of Schedule Form, giving you permission to enroll in the class, space permitting.
- Submit the Registration/Change of Schedule Form and the Washington State Tuition Waiver Form to Enrollment Services to complete the registration process.

Registration Procedures

- Complete an application for admissions and pay the \$30.00 admissions fee for the first quarter of attendance.
- Complete the reverse side of this form.
- Register between the 4th and 10th day of the quarter.
- Complete the Registration/Change of Schedule form, instructor’s signature required.
- Payment is due at the time of registration.

Registration Prior to the Above Dates

Students who register prior to the 4th day or after the 10th day of the quarter forfeit their ability to use this waiver and will be responsible for full payment at the regular per-credit tuition rate.
