

BRIDGE TO INFORMATION TECHNOLOGY.

College and Career Pathways

Are you interested in a career in IT? Prepare yourself for the computer science and computer networking programs at RTC!

This course will give you the skills you need to succeed in the IT programs at Renton Technical College.

- Learn about the basics of computer hardware and software.
- Practice important skills like typing, using common computer programs, and navigating the web.
- Build on academic skills such as writing and giving presentations to support your academic success.

\$1,500 Scholarship - Students who successfully complete the course can apply for the Bridge Grant, which awards \$1,500 toward the first quarter of IT programs.
